

Development Across the Life Span Plus NEW MyPsychLab with eText -- Access Card Package (7th Edition)

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE Offers a strong balance between research and applications. Robert Feldman offers students a chronological overview of physical, cognitive, social, and emotional development from conception through death with his text *Development Across the Life Span*. This best-selling text presents up-to-date coverage of theory and research, with an emphasis on the application of these concepts by students in their personal and future professional lives. The text taps into students' inherent interest in the subject of human development, encouraging them to draw connections between the material and their own experiences. MyPsychLab is an integral part of the Feldman program. Key learning applications include, MyPsychLab video series, MyVirtualLife, and MyVirtualChild. This text is available

in a variety of formats digital and print. Pearson offers its titles on the devices students love through Pearsons MyLab products, CourseSmart, Amazon, and more. To learn more about our programs, pricing options and customization, click the Choices tab. Teaching & Learning Experience Personalize Learning MyPsychLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance.

Improve Critical Thinking Review and Apply sections Consist of short recaps of the chapters main points, followed by questions designed to provoke critical thinking. Engage Students Chapter Opening Prologues Describe an individual or situation that is relevant to the basic developmental issues being addressed in the chapter. Explore Research From Research to Practice boxes Describe a contemporary developmental research topic. Support Instructors A number of Instructor Resources including PowerPoint Presentations, MyTest Test Bank, and Instructors Manual.
