

ACCA Practice and Revision Kit: Professional Paper 9

A practice and revision kit designed for paper 9 of the professional level 1998 ACCA examinations in accountancy. Taking into account time pressures, the kit covers the exam syllabus - as applied to the requirements of the exam itself, and where possible, highlights key examinable topics. The 1998 ACCA study materials comprise a range of study texts, practice and revision kits, and passcards - all available separately, and covering papers 1 to 14 from the foundation level up to the professional level. The practice and revision kit offers different question formats and styles (from multiple choice to case study) with opportunities for self-testing. Each kit carries the name of an exam paper and the examining body. The 1998 editions offer the syllabus - and any other guidance from the examining body, analysis of past papers and examiners comments, a current issues section updating students with recent developments, and a key question checklist to help students plan and monitor their progress. In addition the kits feature Do you know? key topic summaries, short tutorial or practice questions with guidance notes, tutorial notes, exam questions, and a full test paper of a recent exam.
