

Doctor Who: The Crawling Terror: A 12th Doctor Novel

Neve McIntosh reads an original novel featuring the Twelfth Doctor and Clara, as played by Peter Capaldi and Jenna Coleman. Gabby Nichols is putting her son to bed when she hears her daughter cry out. Mummy theres a daddy longlegs in my room! Then the screaming starts...Kevin Alpert is on his way to school when he is attacked by a mosquito. A big one. Then things get dangerous. But it isnt the dead man cocooned inside a huge mass of web that worries the Doctor. It isnt the swarming, mutated insects that make him nervous. With the village cut off from the outside world, and the insects becoming more and more dangerous, the Doctor knows that unless he can decode the strange symbols engraved on an ancient stone circle, and unravel a mystery dating back to the Second World War, no one is safe. 5CDs Approx. 5 hours Reading produced by Neil Gardner. Sound design by Simon Hunt. Executive producer: Michael Stevens.
