

Street Notes-New York Artwork by AVone (Small Hardcover Journal): 144-page lined notebook

Experience the real New York through the artistic expression of one who calls it home. From Brooklyn's own street artist AVone comes Street Notes-New York Artwork by AVone, a set of three small soft-covered journals filled with images of his popular graffiti art. Influenced by abstract expressionist art and inspired by the New York urban landscape, AVone creates art that is evocative of the real New York. It is gritty and raw, and also stunningly beautiful. Alongside these images are pages of blank space for you to fill with your own exceptional artwork, writings, and other imaginings. Whether you are an aspiring artist or a doodler, a journalist or an admirer of art, these journals will bring you to new levels of expression. So, get into the streets and get creative!
