

Stonehenge: Parameters to Establish to Directly Work with the Spirit (The Emergence of Dolphin Man and the Decline of Wise Man)

Stonehenge is a text of advanced clinical work to the mind and spirit. This is the fourth volume of a theory to suggest Dolphin Man to emerge from Wise Man in a series of parity or persecution to reasoning or unwise activities. The volume uses metaphors to portray generating butterflies of thought; which emerge of an otherwise unpublished concept of a Stonehenge. It offers parallel sets of reflection to symbols. The values of such tools are spirit process only. The text offers practical recommendations of work to enhance mind, mathematics and product of miracles.
