

Drive Me Wild (Others)

Tess Menzies can work a spell with a few blinks of her baby blue eyes. But this dedicated witch cant summon up a single good reason shes been made an envoy between her kind and Mannhattans fiercest were-creatures. The two sides havent spoken in four hundred years, and shell need every miracle in the book to broker any kind of truce. And that means outwitting Council of Others leader Rafael De Santos, whose tantalizing moves and fierce hungry kisses are magic even a formidable sorceress cant resist . . .It doesnt take a cats supernatural senses for Rafael to suspect that theres something strange about this unexpected peace offering. And finding the truth is just as tempting as uncovering the secrets Tess is trying to conceal. Why, shes tantalizing enough to make this wandering were-jaguar think hes found the perfect mate-one hes only dreamed of. But his stealth and her spells cant guarantee they have a chance at survival, much less a future together . . .
