

## Each and Every Command: 2009-05-28 - 2010-0312

An artwork documenting twelve years, and counting, of edits made by the artist Martin John Callanan in the popular image editing software Adobe Photoshop (from version 8 onwards). Presented in human readable text, each and every action, edit, change, or creation that the artist made to any and all images for himself or others, on any computer, from 23 December 2003 until today has been recorded in unredacted form. As of February, 27,504,497 million characters comprise 4,114,676 words over 198,605 lines of text. Equivalent to eight times the Complete Works of William Shakespeare.
