

Introduction to GNVQ: Advanced Level (Health and Social Care)

This series covers the mandatory units and core skills for Foundation, Intermediate and Advanced levels in Health and Social Care. Each level includes an evaluation pack, an induction booklet to introduce the GNVQ concept of learning and give advice on action planning, and vocational booklets to cover the mandatory units. The foundation level includes three vocational booklets; the intermediate level includes four; and the advanced level includes eight. For the intermediate and advanced levels, as well as the booklets, a core text format is available to cover the mandatory units.
