

How We Work The Avant-garde Of Dutch Design (English and Dutch Edition)

Compiled and presented by photographer Inga Powilleit and styling director Tatjana Quax, who visited fifteen young Dutch design studios to discover their wildly varied ways of working, this book is a compendium of fascination and inspiration and a reflection on how times have changed. In searching for the innovative methods of the new generation, they discover abundance in waste, technological developments, and the need for global connectivity. Through captivating photographs of designers at work, it forms a portrait of unceasing creativity. Featuring Atelier NL, Pepe Heykoop, Daan Roosegaarde, Scholten & Baijings, Formafantasma, Christien Meindertsma and more.
