

Metro Detroit's High School Basketball Rivalries (Images of Sports)

Few cities can claim a hardwood heritage like that found in metro Detroit. Metro Detroit has been the epicenter for cataclysmic change in the past 60 years that no other major American city has suffered, but the one constant among so much upheaval is a passionate following afforded high school basketball. The rise and fall of the automotive industry, the Motown record labels emergence and eventual relocation, social and racial unrest, and the polarization of one of America's great cities has not slowed the love and passion Detroiters-city and suburban dwellers alike-share for prep basketball.
