

Harlow (Harlow Trilogy, Book 1)

Forbidden love and fatal secrets collide in HARLOW. In 1937 England, a mulatto girl is confined to her fathers castle in a labyrinth of secrets, surfaced by the hidden agendas of a global elite. Praise for Harlow [A]literary work of art from...a modern day Leonardo [Da Vinci]...from her beautiful original [cover] artwork...to the pictures painted so vividly by this story -Ron Grimes (songwriter and producer, LeAnn Rimes) Rich and evocative...beautiful and eclectic...startlingly original...a riotous cocktail [of] young love. -Simon Phillips (Voice of theHarlowaudiobook) Harlow is a fascinating tale of love...corruption, family secrets, and social mores... [Its] an ambitious novel with emphasis on theme and character depth, and it works. -William Greenleaf (Editor and published author of Bloodright) [A] brilliantly executed novel...I can hardly wait for [Imajs] next book/album/art exhibit. Whatever she does, Im there - Imaj is the one to watch! -Amazon Review Review [Harlow] is rich and evocative. The descriptions and imagery are startlingly original and so vivid that Harlows world and its inhabitants quickly became real to me...Her tale is one that carries you along with her through her many ups and downs. She can save the charming Duchess from the dinner table, but can she save herself? Altogether [Harlow] is a riotous cocktail with young love, intrigue and an aristocratic family with skeletons bursting out of every closet plus some beautiful and eclectic scenes with sailors and Nazis, gum-chewing maids, a burlesque troupe and...a hermaphrodite pet lamb. What more could you want? (Simon Phillips, voice of the Harlow audiobook)
