

The Quantum Brain (Pulse Science Fiction Series Book 2)

Dr. Thomas Kell has created one of the greatest breakthroughs in the history of the world. Mark Spencer knows that a powerful gravitational wave is coming through the Earth. He plans to use this event to complete his greatest power and money grab ever. When CDR, Kells employer, hires Mark to upgrade security, Dr. Kells and his new discovery become Marks new target. CDR is a dangerous target though and when the coming gravitational wave is discovered by the world, everything becomes more complicated for everyone. Dr. Kells creation may have plans of its own too.
