

Fuller Pond Fiasco

Join Elmer and Caleb as they stumble through another one of their infamous outdoor adventures. This time the scene is Fuller Pond, one of their favorite fishing holes, and Elmer has his sights set on catching some of the monster bass he knows are lurking in its depths. From the moment they exit the truck at dawn until they finally come face to face with their quarry, our boys find themselves confronted with one hilarious situation after another, and only their vast knowledge of the outdoors, their finely honed survival skills, and a good bit of luck will keep them out of the emergency room! If you haven't yet had the pleasure of meeting Elmer and Caleb, be prepared for side-splitting laughs and endless entertainment. These two well-intentioned but sometimes misguided lifelong friends are constantly in over their heads, but that doesn't stop them from pursuing their passion for the outdoors with great gusto. Fasten your seat belts, strap on a hardhat, and come along with the boys on their latest adventure. It's Elmer and Caleb in a battle of wits against the forces of nature, and these two have come unarmed!!
