

## Watercolor for the Fun of It - How to Sketch with Watercolor (Watercolour for the Fun of It)

Begin your watercolor paintings the right way - with a sketch! Planning ahead is the key to avoiding mistakes and confusion while painting in watercolor. By using preliminary sketches, you can establish the composition, design and color scheme you want in a finished painting, saving time, energy and materials. David R. Becker helps you start sketching immediately with easy and fast exercises. You'll discover what works and what doesn't, plus unexpected ideas for using sketches during the painting process. You can turn even fifteen minutes into a valuable opportunity to experiment and learn with his methods for sketching anywhere, any time. Sketching in watercolor is more than just practice. It's a fun, easy-to-use tool that develops your skills and improves each painting. Start sketching today!
