

## Gilbert & George: Art Titles: 1967-2010 in Alphabetical Order

Gilbert & George Art Titles offers a new spin on the catalogue raisonné: a complete catalogue of the titles of all of the duos works, from 1970 to the present, in the form of a continuous poetical index. Designed by the artists, it commences with their first performance at Nigel Greenwood Gallery in 1970, 3 Living Pieces--flanking the title with the year on the left margin and the acronym LS (living sculpture) on the right--and opens out into the more poetical titles for which they are known. The catalogue of works is also printed alphabetically, and each title is identified with an acronym indicating its format. Spanning more than 40 years of exhibitions, pictures, postcards, books and other formats, this volume constitutes an epic of accidental verse.
