

Growing Fruits and Nuts in the South: The Definitive Guide

One of the best kept secrets of gardening is that it is easy to grow fruit in your back yard. Especially citrus. This book covers pears, peaches, berries, grapes, citrus, figs, nuts and much, much more. It tells how to prune for maximum fruit and which varieties do best. You might be surprised how easy it is to fit a fruit tree in your back yard, but once you do you will not be disappointed.
