

## Legendary Forces of Evil

338 pages A secret military installation at White Sands Missile Range is approached by a government scientist. Hes looking for volunteers for an experiment that would merge the D.N.A. of historys greatest thinkers with highly trained military experts. The six test subjects are under the impression that they will be part of a worldwide effort to seek out answers to our biggest problems. Disease, hunger, and war. Theres only one problem...they were lied to. They would be the recipients of the D.N.A. of historys greatest evil. They were to be the new prototypes for the ultimate military weapons. The subjects must adjust to their new abilities, as well as fight the very source that created them to gain their freedom. The government wasnt ready for their battle with...the Legendary Forces of Evil Graphic Language and Situations
