

# Guiding Childrens Social Development and Learning (Whats New in Early Childhood)

GUIDING CHILDRENS SOCIAL DEVELOPMENT AND LEARNING, Seventh Edition, focuses on ways professionals can help children develop both positive feelings about themselves and social competence. Readers will find practical, developmentally appropriate strategies for how to work with children and families from many different backgrounds and circumstances, and in a variety of group settings. And, theyll obtain a unified framework for decision-making and professional practice that incorporates sound principles of childrens development, relationship enhancement, and behavior management.
