

## Help! 50 songwriting, recording and career tips used by the Beatles

Help! explains how the Beatles wrote their songs, how they recorded them and outlines the attitudes and approaches that brought them success. There are also tips on managing a pop career and getting the right public image. All this is explained with reference to songs such as Hey Jude, Yesterday, I Want To Hold Your Hand, Here Comes The Sun, Revolution, Let It Be, Get Back, Strawberry Fields Forever and We Can Work It Out. While some books make the Beatles music appear complicated, this is an easy-to-read guide.
