

# Alternative Medicine for Pets: Your Guide to Holistic Health for your Dog and Cat

Safe and effective alternative healthcare solutions for Mr Dog and Mz Cat.

Chapters Include: DIET, FIRST AID, TICKS and FLEAS, LONG and SHORT TERM DISEASES, VACCINES, DOGGIE DETOX and PROs vs CONs.

As human beings we are looking for new ways of addressing healthcare issues; methods that are effective, safe, cheaper and better for our long term health. This book aims to enlighten you about the growing number of ways you can take your furry best friend the alternative route with you from homeopathy, herbal treatments, acupuncture, flower therapy, touch therapy and diet. From tick and flea control, anxiety, cancer, allergies, chest infections, Cushing disease, periodontal problems, diabetes and Heartworm we look at ways you can address these issues with confidence and peace of mind without resorting to harsh and unpleasant chemical treatments that may damage long terms health and be very costly. I also take a look at your pets diet and how allergies and food intolerances may be affecting the health of your pet, plus which dietary supplements can boost your pets health. I brooch the controversial subject of vaccines and their dangers suggesting viable alternatives. A must read guide with essential advice to get you on the road to treating your pet holistically to give your friend the best chance of a long healthy life.
