

## Watercolor: Landscapes, Rural Scenes (How to Draw and Paint)

Walter Foster's classic How to Draw and Paint series provides aspiring artists with an exceptional array of art instruction books featuring all subject areas and media. Each title includes easy step-by-step exercises as well as finished illustrations or paintings that will inspire artistic talent in anyone. Packed with practical information, helpful tips, and fundamental techniques, the How to Draw and Paint series offers a complete library of resources to which artists of all skill levels can refer again and again. What you'll learn from this book ... How to render the elements of landscape painting, such as water, trees, rocks, and animals A step-by-step process for painting landscapes, from pencil sketches to final details Proper uses of painting mixtures, masking fluid, and other art materials Hints on painting a variety of subjects, from a country morning to a lake to a barn hinge Rules of aerial perspective applied to landscape painting Handy tips on stretching paper and framing paintings
