

How to Make and Sell Your Film Online and Survive the Hollywood Implosion While Doing It: No festivals. No distributors. No budget. No problem.

Steven Spielberg has said, There's going to be an implosion.... [M]ega-budget movies are going to go crashing into the ground...and that's going to change the paradigm. If the Hollywood implosion does come to fruition then where do aspiring filmmakers go to make a living? This unique survival guide is designed to help uber-independent filmmakers navigate the terrain of direct digital distribution. It will show them how to really sell a product online. There are a lot of books on how to make a movie and how to be part of the Hollywood machine, but this step-by-step guide will show you how to bypass all of that. You'll learn how to get to the heart of making and selling digital products (your film) directly to an audience online and build a sustainable business from it.
