

## How To Make Money In Photography

This book is a no nonsense approach to how Ken Smith broke into the photography field and became an international author and photographer starting out with nothing more than some used camera gear. From eBay to Fine Art Shows, Kens approach to making money is easy and has proved that even without formal educational training; the tenacious individual can become a successful and paid photographer. Ken explains every step he did, the mistakes he made, and the lessons he learned from them. If you are considering entering into the field of photography this is a must read.
