

The Consumers Guide to Feeding Reptiles: All About Whats in Reptile Food, Why Its There and How to Choose the Best Food for Your Pet

It is only recently that pet food manufacturers have started providing for reptiles, yet in a relatively short time, a lot of product has been created -- each with its own claims to superiority. How, then, to choose? In this book, Palika explains reptilian nutritional needs for carnivores, herbivores, omnivores and insectivores -- species as varied as-- iguanas-- snakes-- turtles & tortoises-- skinks-- chameleons-- frogs & toads-- even bearded dragons. Ingredients are reviewed in clear, simple, objective language so owners can learn what their pets really need, and in which products to find them.
