

The Culinary Canine: Great Chefs Cook for Their Dogs - And So Can You!

More and more dog owners are beginning to cook for their dogs, not only as a special treat, but also for everyday meals. It is a healthier, safer alternative to store-bought dog food. But what about gourmet chefs? Do they cook for their favorite canines, too? Of course they do! The authors of Culinary Canine have interviewed the top chefs of the nation and asked them what their dogs favorite dishes are. Colorful photographs and delicious recipes accompany each interview, and the reader is given an inside view into a dogs life with a master of the kitchen. Culinary Canine not only allows readers a peek into the life of a chefs best friend, but also gives them a chance to be gourmet chefs for their own pampered pooches. There are thirty easy to follow recipes included in the book. Each chef gives their favorite recipe for their dog.
