

## iF Design Awards 2012: Communication + Packaging

A compilation of yearly design awards, this book features the best in communication and packaging design from around the world. The iF communication design awards have been conferred since 2004 by a panel of design experts from across the world. Showcased in this volume are the most outstanding examples of communication and packaging design. The yearbook presents trendsetting achievement in advertising, media, campaigns, packaging, and websites. It provides an overview of the exciting and fast-paced world of communication and packaging design, which is an essential component of the packaging industry.
