

## Igniting the Spark (Daughter of Fire Book 4)

Death beckons, calling Evie Myers to the darkness. She isn't ready to leave, and Clay isn't ready to let her go. After fighting back from the brink, Evie's life is forever altered. Together with Clay, she finds a home and sanctuary within the fae community. Everything has changed, and life is perfect. Or so they believe. They soon learn their trip into the heart of the Rain kicked off a revolution, and Clay is called back into the fold. But when Evie needs Clay the most, one mission will risk it all. When her happy ending hangs in the balance, and everything looks lost, how will Evie find the strength to fight for what she wants the most?
