

Animated Cartoons

Animated Cartoons: How They Are Made, Their Origin and Development by Edwin G. Lutz is the first important book published about animation and how to do it. The book apparently had a lot of resonance with Walt Disney and his small Kansas City staff when they started out in making animated films. They borrowed a copy of the book from the library and studied it slavishly to learn how to make animated films.-Sporn, Michael. Lutz Animated Cartoons an Overdue Review. Web log post. Michael Sporn Animation INC. N.p., 08 Nov. 2011. Web.
