We teach the principles of Zen Doodle drawing in a fun way that allows new and old artists alike to learn how to Zendoodle as well as new Zendoodle patterns in a fun way. Doodle drawing has been around for years and now a trend of drawing that offers relaxation as it is a creative meditation in itself. Doodle Drawing Lessons Our Zen Doodle drawing lessons include how to draw using repetitive lines, marks, circles and shapes and how to bring them together to create true art, or simple doodles or

borders. We teach how to create tiles and combine patterns in simple exercises. We teach how to draw patterns of all different designs. Doodle drawing is intricate, but not complicated, with the end product being a beautiful display of art. Drawing has long been a way to release stress, to inspire the soul, and to add confidence and self-esteem to an individual. With tangle drawing, there is no right or wrong way to draw. It is simply learning how to tangle draw to express your inner emotions as well as to create art that can be simple doodles while talking on the phone, to decorate wearables and to use as home decor, etc. Tangle drawing is the trend that is unleashing many new creative individuals into the world of art.
