

The Taking of the Dawn (The Souls of Aredyrah Book 3)

The saga of Aredyrah continues as Dayn and Alicine return to Kirador to find things very different from when they left. Their house has been ransacked, their parents missing, and evidence of spell work has put a price on Dayns head. Frightened, they go to the nearest place they know of: the homestead of Haskel, a man who has never been accepting of Dayns differences, and even less so of his own sons. Back in Tearia, Reiv has settled into the quiet life of a Shell Seeker. But while the rhythm of his routine is calm, the longings of his heart are not. He turns to Cora, an eye-catching girl who has also drawn the attentions of Lyal, a man whose hatred of Reiv goes far deeper than jealousy. But romance is the least of Reivs worries. A terrible plague is spreading, and Reivs brother, the king, is determined to burn it from the land, even if it means killing innocents along the way. While Reiv risks annihilation by Tearias increasingly brutal king, Dayn suffers challenges of his own. His disappearance from Kirador months before not only ended the existence he once knew, but started a witch hunt that threatens his safety and the survival of his clan. Both Dayn and Reiv find themselves facing a difficult choice: Leave their homelands in order to save themselves and those they love, or stay and fight an evil they cannot hope to defeat.
