

## Andrea: Road trip

Andrea Torres-no one can ever forget the first time she appeared on the cover of FHM. Bare, bold, breathtaking. It was a pleasant surprise for her fans-and the start of a sensual adventure. now, Andrea continues that adventure and takes you to a place where you can be with her alone. At your secret destination, she reveals to you her playful side at the park, in the garden, and in the kitchen. Things heat up when she finally shares intimate time with you in the bedroom, and cozies up to you the morning after. Those moments with her are here, immortalized in snapshots. Every moment, yours to keep. So before taking on a journey with this book, lock the door, hold on tight, and prepare for exciting twists and turns. You're in for quite a ride.
