

101 Fractal Art Designs

In this eBook you will find 101 pictures of Beautifully Designed and Very Colorful Fractal Art Designs. Why 101? Because it is just a little better than 100! What you will see in this book is from years of exploring and making Fractal Art. These are all original Fractal Art Designs of my own making. I actually have some of the designs blown up into poster size and hanging on the walls in my home. I have worked on and off on these Fractals over the years. This work isn't from a constant effort on my part to crank out as many as I could. Just when the mood strikes me I sit down and work with the program. I hope you enjoy my work!
