

Intergest Investment Guide South Africa

South Africa is a country of about 52 million people that is rich in diversity and culture, land and raw materials. Enjoying remarkable macroeconomic stability and a pro-business environment, South Africa is a logical and attractive choice for companies to enter sub-Saharan Africa. The country covers 1.22 million square kilometres and is the world's largest producer of platinum, vanadium, chromium and manganese. If you are interested in establishing your business in South Africa, this guide will certainly first insights to gain a bigger picture about how to set up a company in South Africa.
