

Jane Lackey (Portfolio Collection)

Jane Lackeys art has been exhibited internationally and is included in many museum and corporate collections. With meticulous craft and profound critical awareness, Jane Lackey has produced a body of artworks that image the codes of physical being through the processes of the studio. Lackeys painted panels and shaped felt drawings are exquisitely skinlike, evoking the bodys outer covering through tenderly but relentlessly worked surfaces. She is Artist-in-Residence at the Cranbrook Academy of Art, Bloomfield Hills, Michigan.
