

1000 Stencils Argentina Graffiti

This follow-up to the popular collection of street art, *Hasta la Victoria, Stencil*, collects 1000 newly catalogued stencil/graffiti artworks from Argentina into one chunky, 6 x 6-inch, 240-page, gift-worthy volume. Punky and fresh, it catalogues the cheeky, streetwise exhibition that drew 1.5 million viewers in Argentina and which comes to the United States this season for an exhibition at New York City's esteemed non-profit, The Drawing Center. Put together by Guido Indij, born in Buenos Aires in 1967, it follows *Hasta la Victoria, Stencil*, *Peron Willing!*, *Left-wing Political Graphics*, and *Speechless: a Dictionary of Argentine Gestures*. Rock on.
