

Desain Ritel (Indonesian Edition)

Synopsis: Not many design books relate design with entrepreneurship. The book is a progress in retail design library. This is an innovative work made by an academician with entrepreneurship spirit. DR (HC) Ir. Ciputra, Pioneer of Entrepreneurship Education. The book is very detailed and informative. It presents brilliant ideas for unique retail design with comfortable atmosphere and strategic layout. With fascinating pictures that efficiently combine style, imagination and function. Its a source of inspiration for anyone who reads it. Natalia CeciliaTanudjaja, Owner of Bear and Chocolate Factory. An important book that answer my questions about retail design. It reaffirms and highlights the role of interior design in retail business. It will close the gap between interior designers and retail business owners and encourages fantastic designs. Ifan Roring, Principal Designer, Q-bic Space Interior Consultant and Contractor.
