

Knots and Rigs

Knots and Rigs is an instructive, fully illustrated guide to selecting and tying the most appropriate knot to suit your fishing needs, as well as providing useful insights into which rigs best suit your fishing environment and purpose. This ebook covers 46 knots including terminal connections and line-to-line connections, as well as 37 rigs, including saltwater, freshwater and plastics. With detailed instructions and useful hints about when, where and how to use each knot or rig, this ebook is a useful, convenient and essential companion to ensure your future fishing adventures are not about the one that got away.
