

La Guía Completa sobre Terrazas (Black & Decker Complete Guide) (Spanish Edition)

Durante décadas las terrazas han sido una parte funcional de los exteriores de las viviendas, pero aun cuando continúan ofreciendo los mismos beneficios del pasado, sus estructuras ahora presentan diseños muy diferentes. Los accesorios modernos y acabados sintéticos permiten en la actualidad llevar a cabo construcciones más prácticas que a su vez transforman estos sitios de recreación en elementos que se mezclan con el diseño de los jardines exteriores. La guía completa sobre terrazas, en su primera edición en español, presenta en forma detallada la moderna construcción de este tipo de edificaciones. Aquí podrá observar ejemplos de los últimos diseños geométricos y estilos, así como la combinación de luces y accesorios, la instalación de componentes eléctricos, y la adaptación de cocinas externas. Algunos aspectos importantes de esta obra incluyen: Construcción de una base sólida y segura Como escoger e instalar la plataforma ideal Diseño de barandas y escaleras Sistemas de ensamble Diseño de una cocina exterior Instalaciones eléctricas Planos completos para diferentes terrazas

La guía completa sobre terrazas is the first Spanish language edition to the successful *The Complete Guide to Decks*, 4th edition (1-58923412-X). The deck has humble beginnings and has endured through many outdoor home improvement trends. More than ever, the desire for comfortable and practical outdoor living has placed high demands on the humble deck of yesteryear. With modern hardware and synthetic materials it is easier than ever to build the perfect deck to suit the many expectations of today's homeowners, and this book explains just how to do this with easy-to-follow, step-by-step instructions accompanied by full-color photography. And no step is left out. From choosing and installing decking to designing and building steps and railings, wiring a deck,

and designing a deck kitchen, this book features all of the most exciting new design elements in addition to the practical, hardworking projects and instructions necessary for a truly functional and beautiful deck.
