

The Story Of Fester Cat (Thorndike Press Large Print Popular and Narrative Nonfiction Series)

When he first ambled into Paul Magrs yard ? skinny, covered in flea bites, and missing all but one and a half teeth ? Fester knew hed found his family. Paul and his partner, Jeremy, thought it was the ragged black-and-white stray, tired from a rough life on the streets, who was in desperate need of support. But clever Fester knew better. This is the true story of an extraordinary little cat whose gentle charm and trusting soul turned two young men into a family.
