

## Legends: The Century s Most Unforgettable Faces

Portraits of 20th-century immortals, & observations by their famous peers. There are some people who are beyond well-known, more than famous; they are legends. Their mark on our consciousness is permanent; the notorious, the glamorous, the unforgettable human milestones of our century. From the editors of LIFE magazine comes a treasury of photos of the legends. We all recognize their names & can tell their stories. And since the lives of the legendary tend to intertwine, they have often commented on each other. This book gathers these observations as well, to combine the rarest & most extraordinary photographs of our immortals with the most enlightening of remarks about them.
