Forms of Municipal Government National League of Cities In this context, urban structure is concerned with the arrangement of the CBD, industrial and residential areas, and open space. A city's central business district (CBD), or downtown, is the commercial and often geographic heart of a city. In North America, this is referred to as downtown or city center. **Architecture of New York City - Wikipedia** Learning City Structures from Online Maps. Pascal Kaiser. 22.03.2016.
