

True Tails of Love: An Animal Wisdom Book

Time spent reading fosters feelings of personal connection with yourself and of those within the stories. Walk the pastures in the prestigious Santa Cruz Mountains into the lives of its heartwarming animals. For 15 years since her debut memoir *And Then There Was One*, readers delighted in the eye-opening storytelling of Deborah Gilson, the worlds most compassionate author. Through these unforgettable vignettes, the uplifting miracles between humans and animals are sensational. Whether ordering a baby alligator from the back of MAD Magazine, kissing a pet cow good-bye, feeding chickens in the kitchen, befriending a wild Mustang, hugging a 500-pound rescued pig or sitting with a tame bull, Gilsons extraordinary stories depict inspiring warmth. Encounter an entourage of amazing animals as Deborah makes her way through animals she collected since childhood from newborn kittens to Saint Bernard dogs, yearling goats, young twin sheep, alpacas, stock yard calves, the neighbors veal calf, wild turkeys, a bony cow, the neighbors horse and coyote. Gilsons empathetic perspective of life with these animals makes us laugh and cry in *True Tails of Love*, her fifth memoir. <http://www.deborahgilson.com/>
