

Sun conures. Sun Conures keeping pros and cons, care, housing, health and diet. Sun Conure Complete Owners Manual.

Sun Conures are the most popular avian pets in the world today. These brightly colored birds hail from South America and are known for making amazing pets. These birds are extremely trainable and highly intelligent. Therefore, interacting with these birds can be a lot of fun. However, what is very important to understand is that these birds are exotic and require special care. Most people believe that birds may not be as much work as other pets like cats and dogs. Well, it is quite contrary and you need to know exactly how to care for Sun Conures to ensure that they are healthy and happy. This book is the perfect guide for beginner Sun Conure owners. It tells you everything you need to know about your Sun Conure from the time you bring it home. The book covers important subjects like:

- ? Behaviour patterns
- ? Best breeds for ownership
- ? Breeding and taking care of young hatchlings
- ? Caring for young Sun Conure
- ? Common illnesses and corresponding actions and precautions
- ? Different varieties
- ? Feeding a Sun Conure
- ? Food
- ? Grooming
- ? Healthcare
- ? Helping the bird get used to your home
- ? Housing
- ? Insuring your Sun Conure
- ? Interacting with your Sun Conure
- ? Interaction with other pets
- ? Selecting the right bird to bring home
- ? Price and methods of acquiring Sun Conure
- ? Pros and cons of having a Sun Conure
- ? Shopping checklists
- ? Understanding your Sun Conure

This book will help you to understand about the care that is required for these birds so that you can decide if you can make such a commitment in your life right now. After all, a Sun Conure has a life span of close to 30 years. This book is perfect for you because: It covers every issue that a new Conure parent may face. The content in this book is based on several experiences from other Sun Conure owners. That way, it will help you deal with several unique situations that you may find yourself in All important

aspects are explained in a very simple and easy to understand manner. Remember that the Sun Conure is a highly intelligent creature. So, there may be several new things that you will learn about your bird each day. While this book is a great starting point, make sure that you keep learning more and more about the trends in bird care. That way, it is guaranteed that you will make a great Conure parent.
