

Egon Schiele: The Leopold Collection, Vienna

The Leopold Museum in Vienna is a Mecca for devotees of Egon Schiele as it houses the worlds largest permanent collection of the artists works. Comprising works from 1905 to 1918, the year of Schieles death, this book features large-scale reproductions that allow readers to closely examine the artists extraordinary use of line and colour. Presented chronologically, these works on paper are accompanied by insightful commentary. An introduction and biography of Schiele by Rudolf Leopold discuss the artists influences, his controversial career, and his place in the pantheon of twentieth-century artists.
