

Marienbad My Love: Vol. 2

Exiled on a deserted island, a Christ-haunted journalist-turned-filmmaker attempts to persuade a married woman from his past to help him produce a science-fiction-themed pastiche to the 1960s French New Wave classic, Last Year at Marienbad. Through this act of artistic creation, he expects to carry out the will of God by prophesizing the death of time and the birth of a new religion. If only he can make the woman remember him... Marienbad My Love is the world's longest novel, a multi-million-word, multi-volume work meticulously assembled through calculation and chance from fragments of pre-existing texts both written and appropriated by Mark Leach over the course of 30 years the movie, as Leach calls it, of all my labors and all my inspirations.
