

Clegg & Guttmann: Modalities of Portraiture (Hardback)(English / German) - Common

Since the early 1980s, the photographs of Clegg & Guttmann have explored the representation of power and the codification of gestures. Famous for their images of powerful people or families inspired both by seventeenth-century Dutch painting and commissioned portraits for annual reports, they have developed various typologies of photographic portraiture over the past three decades. This volume exa...
