

Masterclass: Anal Sex (Hardcover)

An informal and beautifully laid out guide to one of the most popular, yet controversial, sex acts in the human experience. With professional photographs that pull no punches and specially commissioned drawings, brilliantly executed by artist Vania Zouravliov, author Charlotte Webb guides readers through this ancient and thrilling form of lovemaking. Breaking, at last, the silence on this taboo subject, she dispels the myths which surround anal eroticism and explains how to avoid potential disasters and embarrassments. From the basics to the more advanced, she covers every aspect of the act to give readers the confidence to enjoy anal sex as a spectacular and rewarding addition to their sexual repertoire.
