

Body Language Secrets: How to Read Minds by Reading Bodies

Did you know your body speaks much louder than your words? The way you move your eyes, mouth, head, arms and legs all has meaning. When you practice the techniques in this book you will not only use your body in a brand new way, but you'll have the skills to read the body language of others and know what they are really thinking. Body Language Secrets is a fun to read, brilliantly illustrated book that gives you a real world, unfair advantage both personally and professionally.
