

Minitutorials for Adobe InDesign: :A quick reference for beginners and other busy people

A quick reference for beginners and other busy people needing to gain skills in Adobe InDesign. InDesign is the industry standard tool for digital and print publishing. These minitutorials have a companion set of video tutorials that are available free on YouTube. Topics covered include layout setup, character and paragraph styles, master pages, numbering, tables of contents, drop caps, books, libraries, and other key InDesign features.

The book features step-by-step tutorials, a glossary of common InDesign and typography terms, and oversized type for ease of use.
