

The Moulin Huge

A hilarious and poignant tale of Evan and his two friends Lloyd and Diva ... longtime friends who have gone their separate ways but who keep in touch by phone every day ... reunite in, off all places, a trailer park in Niceville, Florida for a ... er ... talent show.

Evan lives in a fantasy world fueled by marijuana and wine. Family-rich Lloyd stars in his own melodramas. And Diva is never sure which reflection is hers and which is the mirrors.
